 - Supplies/Equipment came in; we still need to order bins
 - Volunteers will be needed to help put supplies away
2. We have received 3 sponsors:
 - Pearland Pediatrics
 - Next Gen Urgent Care
 - Failure Preventative Assoc.

Getting HEB to sponsor snacks and drinks for Oiler Fest. We still have time to get more sponsors! We will use 1 sponsor to cover the cost of Media Day.

 - A banner is needed to display the sponsors at home meets/district. The question was asked if we should order 1 banner for aquatics or if a separate banner should be ordered. Members agreed on having 1 banner. Once sponsors are finalized, we will get one ordered. (Bezdeck will provide information for ordering)
3. A new aquatics T-shirt will be ordered. Get any design ideas to Leblanc ASAP. It was proposed that the Booster Club cover the cost for each athlete to receive a shirt. All members agreed; this will help with the promotion of looking more like a team.

4. Coach Vail took inventory of the closet and did not have water polo caps and only had three size 5 balls; we still need three size 4. Old ones can still be used, but new ones are ordered every year since they lose their grip. This purchase usually comes from the coach activity fund. Coach Vail will ask the new vendor for the price.
 - Record board updates were ordered and have arrived; booster club will pay the \$85.00 fee- we just need someone to hang them.
 - Swim calendar is coming out soon
 - Water Polo senior night- Sept. 22
 - Swim senior night- Jan. 12
 - The location for State this year is Texas A&M not UT.
