

PHS Aquatics Sponsorship

The *PHS Aquatics Booster Club* is a dedicated, parent-run organization committed to enhancing the experience of our talented student-athletes here at Pearland High School. Through our efforts, we provide vital support to swimmers, divers, and water polo players, ensuring they have access to top-notch equipment, training resources, and scholarship opportunities. As a 501(c)(3) non-profit, we unite the community to foster an environment where our athletes can excel both in and out of the water. Our goal is to champion the success and growth of every Oiler, helping them achieve their full potential.

Our students are driven to excel in the pool and as representatives of Pearland High School. As our teams in swimming, diving, and water polo continue to grow and develop, they are ready to take on new challenges and compete at higher levels. However, achieving these goals requires more than just talent and determination—it takes the support of a community that believes in their potential. By contributing to our program, you provide these athletes with the tools and opportunities they need to succeed. Join us in empowering the next generation of champions, both in the water and beyond.

Why are donations necessary?

Your donation is crucial in providing our young athletes with the high-quality, safe equipment they need to excel in their sport. It also helps us enhance our natatorium, ensuring it remains a top-notch and inviting facility for everyone. With your support, we can continue to offer a competitive and positive environment for our students to thrive.

How will my donations be used?

Donations will be allocated to cover essential expenses such as travel costs for competitions, team-building activities, and functions. They will also support the purchase of banners, dryland training equipment, and pool signage. Additionally, contributions will address any extra needs that arise to ensure the team's success like equipment, software, and senior recognition.

Benefits to the sponsors:

- As a fully registered 501(c)(3) organization, all donations are deductible per IRS regulations.
- Social media posts for sponsor recognition.

Any questions, please email the booster club at aquaticsphs@gmail.com or Interim Head Coach Darrin Vail at vaild@pearlandisd.org

DEADLINE JULY 2026: The deadline to pledge your sponsorship and ensure recognition within printed materials is July 31, 2026.

PHS Aquatics Sponsorship
